

Get involved: join our Practitioner Advisory Group

We're currently recruiting new members to our Practitioner Advisory Group (PAG). This group meets three times a year to provide input and advice on all aspects of SET membership to improve and develop the service for those working in all parts of the education and training system. It's made up of 40 practitioners who are SET members from across the sector and the country. We are also recruiting for a member of the PAG to join the SET Management Board (SMB).

Learn more about what it's like to be part of the PAG, and what you can get from being involved by [reading our latest blog](#) from Denis McAuley, who has been a member of the PAG and SMB for the last two years.

You can find out more about the PAG and SET Management Board, and how to apply, [on our website](#) (you will need to be logged in to access the application form).

The deadline for applications is 9am on Friday 29 September 2017.

Take part: Practitioner Research programme

Do you have a good research idea but need some support and some thinking time to make it happen? Do you want to develop your teaching skills or understand education practice better? Do you want to be a part of the future of teaching in your sector?

Applications are now open for the 2017/18 Practitioner Research Programme run by the Education and Training Foundation (ETF). Applications from all parts of the sector and disciplines are welcome. There are some key areas of focus which will attract preference: Maths and English teaching and Improvement in or development of technical teaching and the curriculum.

Alongside the bursaries offered as part of the programme, participants who joined SET on, or before 1 June 2017 will be eligible for an additional £500 bursary.

The deadline for application is Monday 25 September 2017 at 5.00pm.

SET membership: Tell us your experience

We would like to invite you to share your experience as a member of SET and tell us your story. As members are at the heart of what we do, we would like to include your testimonial in the SET communications material on digital platforms and in print.

Your SET experience can inspire other practitioners in our sector who are looking to further develop their practice and be the best teachers they can be. Share your story with them!
